September 2, 2021

Dear Cheektowaga-Sloan Community,

We are filled with excitement as we prepare to welcome all of our students back to school next Tuesday, September 7, 2021.

In my role as Director of Technology, I am writing to all families to ask for your help this school year. In an effort to keep the community safe and in order to adhere to the requirements set forth by the Erie County Department of Health, we are required to have all of our families complete a **daily health screener**. This is to be sure that all students entering our schools each day are not experiencing any COVID-19 symptoms. This year, we will be using a program called **Operoo**.

This evening or tomorrow morning, you will receive an email from **Operoo** requesting that you register for an account on its website. Directions on registering, updating contact information, and changing the language of messages can be found at <https://bit.ly/3zFdbvZ>. Please contact Mr. Peter Fuchs at pfuchs@cheektowagasloan.org if you do not receive the **Operoo** registration email, or need help with getting your account established.

After registering, you will receive a daily text message with a direct link to the daily health screener in **Operoo**. Simply click on the link provided, complete and submit the daily health screener.

Thank you for your cooperation and for creating your **Operoo** account.

Sincerely,

Brian Zybala
Director of Technology
