Dear Parents of Cheektowaga-Sloan UFSD,

In October 2020, we provided teachers, parents, and students a Climate Survey in response to the TSI status at John F. Kennedy Middle School. The surveys are required by the NYSED as a part of the improvement plan process.

We need to administer this survey again in spring 2021. The survey will begin on **Friday, April 30, 2021 and is due on Friday, May 7, 2021.**

We will use the same surveys we used in fall 2020. The results will be used to continue improving practices related to the designated categories represented (Systems, Leadership, Curriculum, Instruction, SEL, and Family/Community Engagement).

For the student surveys, teachers in grades 3-12 will post a link to the surveys on their Google Classrooms for students to complete if they choose. The surveys should take approximately 5-10 minutes to complete.

We would appreciate if you can please take a few minutes to complete this voluntary parent survey. We value and appreciate your input and feedback.

Please complete this survey by **Friday, May 7th.**

**Link to Parent Survey-** Only one submission per family is accepted, or one survey per building if you have children in multiple buildings.

**<https://www.research.net/r/CheekSloanParent>**

Thank you.

Sincerely,  
  
Mrs. Janelle Finn

Executive Director of Curriculum, Accountability, and Professional Development
