Our program runs 2 1/2 hours per day, 5 days per week, and follows the school district's calendar. We offer both morning and afternoon sessions.

Our quality program utilizes research based, age-appropriate practices which are aligned with NY State's Pre-K Standards. Your child will acquire pre-reading skills, a richer vocabulary, and strong basic math skills. Pre-K children will be exposed to numbers, letters, shapes, and words. They will learn how to share, take turns, cooperate, follow directions, solve problems, and contribute to the classroom community. Theodore Roosevelt's Pre-K students will grow socially, emotionally, physically, and intellectually, which will better prepare them for Kindergarten.
